Our Mission

The goal of the Montezuma Blue & White Booster Club is to promote and foster interest in and good will toward all athletes and athletic teams in the Montezuma Community School. The Blue & White Booster Club aims to develop a united effort which will secure the highest standards of excellence and advantages for a well-rounded athletic program. Together with community volunteers, coaches and parents, members of the Blue & White Booster Club will assist the athletic program by conducting work projects and fundraising events and provide volunteers as needed. Through a strong partnership with the Montezuma Community School, we will strive to meet the needs of our student-athletes as they represent their school and community in their extra-curricular activities.

The Montezuma Blue & White Booster Club is a non-profit organization [501(c)(3)] dedicated to the support of Montezuma's student-athletes. Contributions may be tax deductible. The B&W will work in partnership with the Montezuma Athletic Department to provide supplementary financial support to ALL Montezuma teams that are not able to be fully covered by the school.
