

LICENSED EMPLOYEE GROUP INSURANCE BENEFITS

Licensed employees are eligible for group insurance and health benefits. The board will select the group insurance program and the insurance company which will provide the program.

This policy statement does not guarantee a certain level of benefits. The board will have the authority and right to change group insurance programs for its licensed employees.

The requirements stated in the Master Contract between employees in that certified collective bargaining unit and the board regarding the group insurance benefits of such employees will be followed.

Licensed employees may be eligible for group benefits as determined by the board and required by law. The board will select the group benefit programs and the insurance company or third party administrator which will provide or administer the program.

In accordance with the Patient Protection and Affordable Care Act (ACA), the board will offer licensed employees who work an average of at least thirty (30) hours per week or one hundred thirty (130) hours per month, based on the measurement method adopted by the board, with minimum essential coverage that is both affordable and provides minimum value. The board will have the authority and right to change or eliminate group benefit programs, other than the group health plan, for its licensed employees.

Licensed employees who work an average of at least thirty (30) hours per week or one hundred thirty (130) hours per month, based on the measurement method adopted by the board, are eligible to participate in the group health plan.

Licensed employees and their spouse and dependents may be allowed to continue coverage of the school district's group health program if they cease employment with the school district by meeting the requirements of the plan.
