

OPEN NIGHT

In keeping with good community relations, student school activities will not be scheduled on Wednesday night beyond 7:00 p.m. whenever possible. Open gym, weight room and other voluntary activities may be scheduled on Sundays after 1:00 p.m. Tournament schedules or other special circumstances may give cause to schedule an activity or a practice on a Sunday or a Wednesday evening. These special Sunday activities will only take place after 1:00 p.m. and will be on a voluntary basis. It is the responsibility of the principal to oversee the scheduling of school activities for compliance with this policy. The Activities Director or the sponsor/coach of an activity wishing to schedule any activity during these times shall obtain permission from the building principal before scheduling the activity.
